Reference: Mid-Year Report (1/1/99-6/30/99)

Dear Mr. Mathis:

On April 19, 2000, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your May 5, 2000 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-In the original filing of your report you categorized four disbursements as fundraising expenses. In your response you have left blank the Category box for all disbursements on Schedule H4, but have allocated all disbursements using your revised allocation ratio for administrative expenses and generic voter drive costs contained in Schedule H1. Please clarify whether all disbursements on Schedule H4 are for administrative and/or generic voter drive purposes. Please note that all committees are required to allocate the direct costs of each fundraising event in which the committee collects both federal and non-federal funds. The costs are allocated according to the funds received ratio and are reported on Schedule H2. Therefore, if any disbursements itemized on Schedule H4 were for the costs of fundraising events as described above, you should file a Schedule H2 to disclose the ratio for the fundraising event(s).

-Please itemize each transfer from your non-federal account separately on Schedule H3. Also, disclose the total amount transferred in the designated column.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Lucy Denny on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.

Sincerely,
